

# Rules for dogs on the campsite

## Camping Couleurs du Monde

Well behaved dogs and responsible dog owners are welcome at Camping Couleurs du Monde. There are, however, a number of rules to ensure a safe and pleasant environment for both campsite guests and dogs. To avoid any confusion, these rules are clearly described below. It is also made clear what the consequences are for dogs and dog owners if these rules are not followed.

On arrival at the campsite, dog owners are expressly asked to accept these rules by signing these rules. Without the signature of the dog owner, the dog will not be admitted to the campsite. To avoid waiting at the reception, we invite you to send this document by email to [contact@camping-couleurs-du-monde.com](mailto:contact@camping-couleurs-du-monde.com).

- ✓ Your dog is welcome at the campsite (maximum of 2 dogs per pitch, 1 per rental), except if it concerns a dog of the first or second category.
- ✓ Your dog must be identifiable (for example by tattoo or chip).
- ✓ You must be in possession of a valid rabies vaccination certificate.
- ✓ Dogs must always be kept on a physical lead throughout the campsite.
- ✓ On your own campsite or rental pitch, the length of this lead must keep the dog within the boundaries of your pitch at all times.
- ✓ **You must never leave your dog unattended on the campsite, even if it is locked in your rental unit, caravan, tent or camper van, in the absence of persons who are civilly responsible for it.**
- ✓ Dogs are not allowed in the sanitary building and in or near the swimming pool.
- ✓ You must walk your dog outside the campsite.
- ✓ Dog faeces must be collected with hygienic bags, which are available at the reception desk, and then put in a rubbish bin.
- ✓ If your dog defecates on the campsite, you must clean it up immediately and rinse it with water.
- ✓ Your dog must not cause any nuisance to other guests on the campsite.
- ✓ Aggressive behaviour by a dog must be corrected immediately by the dog's owner. You should muzzle your dog if it has a tendency to bite. A biting incident with your dog is considered a breach of the rules.

## Non-compliance with the rules

In case of non-compliance with these rules, your stay at the campsite will be terminated immediately and you will have to leave after having paid any amounts due. No refunds will be possible if the stay has been paid in advance in case of reservation.

I agree to these conditions and to respect the above rules during my stay at Camping Couleurs du Monde.
